Printer, stand, power cable, CISS System, 1 x roll media adaptor set, 1 x reusable waste tank, 1 x maintenance kit, 1 x roll Epson Transfer Media, utility and user manual (CD), Epson Edge Print s/w (DVD).	
CONFIGURATION OPTIONS[3]	
SCF63601Y	Printer with 1 Yr Warranty
SCF63603Y	Printer with 1 Yr Wty + 2 Yr CoverPlus
SCF63605Y	Printer with 1 Yr Wty + 2 x 2 Yr CoverPlus
C12C934721	Bk starter ink pack (4 x 1L)
C12C934741	HDk starter ink pack (4 x 1L)
OPTIONAL ACCESSORIES	
C12C934671	Optional Auto Take Up System
C12C934701	Additional roll media adapter set
CONSUMABLES	
C13S210053	Cap Cleaning kit
C13T724000	Replacement 2L waste tank
C13S210095	Wiper Replacement Kit
10-CUBEN	10 L waste ink recycling bottle
C13S902006	Replacement auto cutter blade
C13T46D140	6 x 1.1L Black UltraChrome DS ink refills
C13T46D840	6 x 1.1L HD Black UltraChrome DS ink refills
C13T46D240	6 x 1.1L Cyan UltraChrome DS ink refills
C13T46D340	6 x 1.1L Magenta UltraChrome DS ink refills
C13T46D440	6 x 1.1L Yellow UltraChrome DS ink refills

The four colour Epson dye sublimation inks used in the SureColor SC-F6360 printer, when applied to polyester fabrics, pass the requirements of the Oeko-Tex Stadard 100 for human ecological requirements of Class I products for adults, children, and babies up to 36 months. The standard specifies testing criteria for the presence of harmful substances within a textile product and belongs to the International Association for Research and Testing in the field of Textile Ecology (Oeko-Tex).

1 Warranty is provided for all non-consumable items associated with printers sourced through Epson Australia. Cover includes print heads and the CISS. It can be extended through the purchase of optional CoverPlus, either separately or as part of a configuration package. Free on-site repair is provided in major metro locations. Service is conditional on a range of factors including appropriate product usage, operation within the printer duty cycle, regular and appropriate user maintenance, as well as use of Genuine Epson consumables. Please see the Epson Australia and New Zealand web sites for full terms and conditions.

2 Performance figures are printer speeds only; actual production times will vary depending on computing platform, print application, file format, size and networking configuration.

3 Printers do not ship with ink; one starter pack (either Bk or HDk) needs to be ordered separately. The independent sourcing and use of a heat press will be required and an external heater/blower unit is generally recommended.

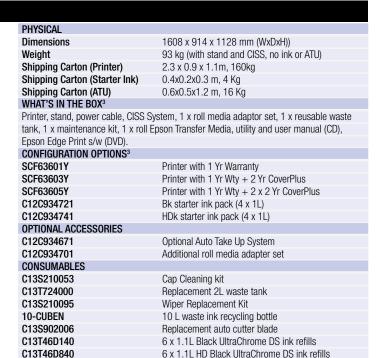

6L CISS with cost-effective 1.1L ink refills and choice of two ink sets to suit different production requirements.

Designed for durable operation with easy user maintenance complete with QR-Code on-line support.

Optional Auto-Take-Up for efficient Roll-To-Roll production and operation with a calendar style heat press.

Supplied with functional and powerful software that is fast to learn and easy to operate.

Epson CoverPlus
Fast. Reliable. Professional
