

# MASTERBOND SCP STEEL

## STEEL COMPOSITE PANEL

### Product Overview

Masterbond SCP Steel is a double-sided composite panel ideal for hoardings, whiteboards, printing and many other applications. The galvanised steel provides additional strength plus the versatility of a magnetically receptive surface.

The panel surfaces are flat, smooth and uniform, one side with a digital coating to help produce vibrant, colour-fast prints and the other side features a whiteboard coating.

Made using the highest grade materials, Masterbond SCP can be fabricated, are strong, self-supporting and offer outstanding reliability.

### Key Features

- Digital/whiteboard finish
- Uniform, flat surface
- Clean easy-peel protection film
- Strong, durable & self-supporting
- UV resistant for outdoor use
- Magnetically receptive surfaces
- High quality PE core
- Co-extruded adhesive for superior bond
- 0.25mm galvanised steel skin
- 5 year warranty

### Applications

- Whiteboards
- Magnetic Panels
- Sign Making
- PoS Displays
- Hoarding Panels
- Outdoor Advertising
- Interior Panels & Decoration
- Transport
- Industrial Production
- Direct UV & Screen Printing

### Product Specifications

Thickness (mm)	3
Skin Thickness (mil)	0.25
Sheet Size (mm)	1220 x 2440
Sheet Weight (kg/m <sup>2</sup> )	6.35
Skin	Digital & whiteboard coatings
Core Composition	LDPE

Product Performance and Suitability: We believe the statements and information contained herein are accurate but are to be used only as general guidelines and are not warrants or guarantees. Because of the variety of possible uses, there is no warranty of fitness for a particular purpose. The buyer must test the suitability for each intended application before using. Aarque Group Ltd will not be liable for damages in excess of the purchase price of its products or for incidental or consequential damages. Should any failure to conform to this warranty appear within one year of the initial date of shipment, Aarque Group Ltd shall, upon notification thereof and substantiation that the products have been stored and applied in accordance with Aarque Group Ltd's standards, correct such defects by suitable repair or replacement without charge at Aarque Group Ltd's plant or at the location of the products (at Aarque Group Ltd's election); provided, however, if Aarque Group Ltd determines that repair or replacement is not commercially practical, Aarque Group Ltd shall issue a credit in favour of the buyer in an amount not to exceed the initial purchase price of the product from Aarque Group Ltd.
